The diagram shows a 12-string guitar fretboard with fret numbers 7, 9, and 7 repeated three times. Below the fretboard, there are three sets of string diagrams, each corresponding to a fret. Each set consists of six pairs of strings, representing the 12 strings of the guitar. The strings are numbered 1 through 12, with 1 being the highest string and 12 being the lowest string. The diagrams show the fretting pattern for each fret, with the 7th fret being the most complex, involving multiple strings being fretted at once.
